

SIGNIFICANCE

INDICATOR

Child maltreatment is a serious problem that has grave and costly consequences for the child, his or her family and the community at-large.

A child who has experienced abuse and neglect is more likely to have social, emotional and physical health problems and perform poorly in school.

Child Abuse Reports

Reported incidents of suspected child abuse through the ChildLine and Abuse Registry. Does not include General Protective Service reports, which include less severe general neglect reports.
(Number and rate per 1,000 children age 0-17)

SIGNIFICANCE

A child relies on his or her family for an array of supports from early childhood through adulthood. Without a permanent family, a child fails to have a sense of security and suffers from a lack of belonging.

INDICATOR

Children Leaving Foster Care

Children who exited foster care by discharge reason and how long they were in foster care. Also includes the median length of stay for children remaining in foster care.
