<p>In-home services are designed to strengthen families by addressing the root causes of abuse and neglect. The provision of in-home services helps a child to remain safely in his or her home.</p>	<p>In-Home Services Children whose families received services in their homes to address concerns related to child safety and well-being during the year.* Counties that did not report in-home services are excluded from total.</p>	979	997	21,306	19,369*	164,842	171,416*
<p>Foster care is meant to be a temporary intervention to assure the safety and well-being of a child. A child who spends long periods of time in foster care is more likely than other children to drop out of school, have mental health challenges, experience unemployment and be homeless as an adult.</p>	<p>Children Entering Foster Care All Entries into Foster Care During the Year First Time Entries During the Year</p>	10	9	855	688	10,038	9,205
